

Multi-Conductor Wire

Multi-Conductor Wire provides extensions between Radialux™ RGB or RGB-W color-changing LED tape light sections or between the tape light and DC power source. This sturdy UL 2464 wire has a heavy PVC jacket and its 5 Amp rating ensures Class 2 compliance.

TECHNICAL INFORMATION

Voltage	12-24V DC
Max. Current	5A*
Wire Gauge	20 AWG
Certifications	UL 2464 (Outdoor rated)

* 60W at 12V / 120W at 24V
